Little Rock AFB ENVIRONMENTAL POLICY

LRAFB is committed to conducting its national security mission in an environmentally responsible manner that will protect human health, natural resources, and the environment. In doing so, we will operate in a manner that preserves and protects the environment through pollution prevention, the continual improvement of our operations, and complying with regulations while we strive to reduce pollution at the source of generation. This Policy and the obligations and responsibilities required by the environmental management system have been communicated to all employees. The Policy is available to the public on request.

A handwritten signature in black ink, reading "Greg A Otey", is positioned above the printed name.

SUMMARY

1. PURPOSE: Obtain 19 AW/CC signature on Little Rock AFB Environmental Policy Statement.
2. BACKGROUND: An Enviromental Policy Statement was developed in 2005 by the EMS working group to support the Base Environmental Management System. The Policy Statement letter was approved by Brigadier General Joeseeph Reheiser and utilized in EMS developement. Current EMS policy requires that the actual Policy Statement be signed by the current Wing Commander and made accessable to the Base populus .
3. RECOMMENDATION: 19 AW/CC sign attached Environmental Policy Statement at tab 1.
